

Introducing Natural Stone's New Best Friend...

Restore the Original Beauty of Natural Stone with: SB-6400 Wet Look Penetrating Sealer

SEK-Surebond is excited to announce our newest addition to the Surebond Hardscape & Concrete Protection product line: **SB-6400 Wet Look Penetrating Sealer**. **SB-6400** will seal & enhance the beauty of new & old surfaces with a luxurious wet look & matte finish that enriches surface tone and color contrast. It is ideal for cultured & natural stone as well as concrete & clay pavers.

- Deeply Enhances Surface Tone & Color Contrast with Matte Finish
- Water, Salt & Oil Resistant
- Durable & Long Lasting Chemically Bonded Protection
- Water Based, Low VOC Penetrating Sealer
